Easter Assemblies

We would like to invite parents to our Easter assemblies on Tuesday 27th March.

Year 2 will be leading the Easter Assembly in the morning and Year 1 will join in with the singing. You may remember that Year 1 led the Harvest festival earlier in the year and had the support of Year 2 with the singing at that time. This assembly will start at 9.15 and families from Year 1 and Year 2 are invited.

Reception will be holding their own celebration at 2.45 on the same day. Parents are invited to come and join the children to hear them sing, share a poem and tell you their Talk 4 Writing story.

Arts Week and Exhibition Evening

This week the children, staff and lots of parents have been enjoying Arts Week. We have been lucky enough to have many people share crafts and arts with the children in the foyer. The children have been learning so many arts skills, as well as how to work together as a team, to persevere when something is difficult, to find out about an artist, to ask questions and find out information from the visiting artists, to communicate ideas, to be imaginative and creative and much more. They have even had to use their problem solving skills at times.

As usual we will be opening the school for a special Exhibition Evening on Thursday 22nd March between 6.00 and 8.00 p.m. We really hope that you are able to join us on this evening. We expect children to be your guides as they show you, not only their own classroom, but all the classes in the school. It is an evening of great joy and pride for the school.

Easter Bonnet parade: 28th March

Our last event of the term is the annual Easter Bonnet parade. You are invited to make Easter Bonnets and hats and bring them to school for the grand parade that will be held at 2.40 on Wednesday 28th March. Spectators are asked to stand behind the blue track to watch the parade.

Please be aware that if it rains the parade will be cancelled.

Front Door

This week we have had a lot of people helping in school, many thanks! Please remember not to let anyone into school without someone in the office being aware. The front door should only be opened by a member of staff, in order to make sure that the security of the school is maintained.

Data Protection

There is a new Data Protection Act in May and although it won't mean too many changes for schools there will be some that will affect the way we store data. As we prepare for the new Act more information will be sent home to you.

Nursery Places

We hope to get out offers for nursery places for children who will be 3+ by September by the beginning of summer term. There will be 8 full time places available to parents who work. More information about the criteria for allocating full time places will be available by the beginning of the summer term, so that parents can make child care arrangements in good time.

Copies of all nursery admission policies will be on our website as well as available from the school office.

Last day of term 29th March, school closes at 2.15 p.m.

Mrs Julia Thomas
Headteacher
