

Newsletter July 2019

I would like to start off this newsletter wishing you all a very happy summer holiday. The children have worked hard this year and we have had a full and busy year. Over the last few days it has been a joy to enjoy the amazing concerts and I know you will all agree the children have made us all proud.

At the end of this term we will sadly be saying goodbye to Mrs Shah who has been working in Hedgehog class this year.

Thank you:

I would like to say a MASSIVE thank you to the PSA this year, because they have been amazing. We have had some new events this year as well as the traditional events. They have all raised some funds that have helped improve our school. The Summer Fair was fabulous and I don't know how it can get any better. I do know that the date for next year is already in the diary; 27th June 2020.

Can we do any better than £5,700

In September we will be looking for new members to join this essential team. Don't be shy, put your name forward.

Playground

The new playground area is already loved by the children. However some rough play has broken a few of the boards. We have talked to the children about this and it would help if you would supervise your children after school as well.

I am at this moment waiting for a plumber to come and fix the boys toilets. After school last night someone lifted a cover and put stones and gravel into the urinal. The toilets have been out of action all day. I really don't want to stop children using the playground after school but if there is too much damage then it may be my only option.

On a brighter note - thank you Year 2 for the marvellous Leavers Assembly today. It was lovely to see so many parents in the hall and I hope you all felt as proud of your children as I felt of them. We are so lucky to have such a great big hall for assemblies and concerts.

We are offering **taster afternoons** in the reception on Monday 9th, Thursday 12th, Tuesday 17th and Wednesday 18th September 1.30-3.15 p.m. As well as spending time in the classrooms families will have a chance for a tour of the school. Families will need to book a place by contacting the school office.

Look out for the first newsletter next term when all the provisional dates for the whole year will be included. Sometimes they change, but we know you like to get dates as early as possible.

If you know anyone who would be interested please ask them to call the school and book a place.

Happy holidays!
