DB (DeeBee)

DB is our secure, online school portal where the children can access a year group and a class page. There they will find games, activities and pictures of what we have been doing. There is also a parent's page where all important information, documents and handouts from workshops can be found. By using DB you can also book your child's place for one of our after school clubs. We would like to invite you to our DB workshop on Thursday 26th September at 2:45 in the hall with Miss Thomas. Your child will then bring their DB password home on Friday.

Requests

Our topic is Marvellous Me. We would like the children to bring in 1 photo of their family that we could keep for our writing and to share with the class.

We hope you have a lovely weekend. Miss Thomas, Mrs Weller and Ms Chan.
