"Reading aloud with children is known to be the single most important activity for building the knowledge and skills they will eventually require for learning to read" – Marilyn Jager Adams

How to help at home

- Share your child's 'R' book together, looking for the sounds that we have learnt
- Practice writing your child's name - but not in capitals
- Practice counting forwards and backwards - this helps when learning about one more and one less.

Other Information

- All uniform, coats, shoes, and PE kit must be named. On your child's P.E. day, we would suggest that they wear easy to remove clothes and no tights or dresses. Thank you.
- Please make sure you have signed up for your child to have hot dinners www.thepantrycatering.co.uk
- Please empty book bags everyday of any letters and pictures your child may bring home.
